THE AMERICAN JOURNAL OF NURSING

INDEX TO VOLUME 62, NUMBERS 1-12 **JANUARY-DECEMBER, 1962**

The material in this index is arranged alphabetically under subjects and authors.

News items are indexed under the names of the individuals concerned, the organizations mentioned, and the particular area in nursing to which the item pertains.

Book reviews are listed under author and subject. **Articles** will be found under the name of the author, joint authors, and one or more subjects.

Colleges and universities are listed under specific name of institution *e.g.*, BOSTON UNIVERSITY; **hospitals and schools of nursing** will be found under name of state, and thereunder by city, *e.g.*, MASSACHUSETTS, Boston, Beth Israel Hospital School of Nursing.

All information on **Drugs** will be found under the subject heading DRUGS, subdivided as to Books, Pamphlets, Films; Legislation; Specific Drugs; and thereunder arranged alphabetically by generic and/or proprietary name.

Beginning with January 1961, volume 61, the paging ceased to be continuous within the yearly volume. Each monthly issue begins with page one and is paged continuously therein. This is indicated in the index by a brief abbreviation for the month and the page, *i.e.*, Ja 15 means January, page 15.

The following abbreviations are used to indicate the months:
